

capstone® collection wiz

Analyze your entire library collection—FREE!

CollectionWiz™, an exclusive, FREE service from Capstone saves you time and assists selection with exclusive correlation tools. When you upload your MARC records, CollectionWiz analyzes your current collection based upon your specified criteria and then seeks out the right materials to fill the gaps.

Make CollectionWiz your savvy new sidekick:

- › Automatically identify duplicate titles
- › Target your most urgent needs with aged-title reports by Dewey® ranges and call number analysis
- › **EXCLUSIVE!** Receive automatic recommendations that support your state's curriculum standards
- › Easy weeding! Create aged-title lists based on your criteria
- › Support funding requests—aged-title and call-number reports help demonstrate what you need most
- › Search titles to purchase by Sears subject heading, view “titles like this,” “hot picks,” and more
- › Genre, Hi-Lo, and graphic novel searches for titles to purchase make this perfect for fiction selection
- › **EXCLUSIVE!** Suggested item lists by Dewey range can include related fiction titles. Pair your nonfiction title with a compelling story for multiple source learning
- › Fiction suggestions too! Easy-to-use report automatically pairs fiction and nonfiction titles

\$150 off your books!

First time CollectionWiz user? Upload your MARC records by 12.31.20 and receive a coupon for \$150 off your next Capstone order of \$500 or more.
