What is the PebbleGo + Suite?

With PebbleGo, the learning doesn't stop at articles. As part of the broader PebbleGo Suite, the platform connects to thousands of Capstone leveled eBooks and companion print books – empowering educators to extend concepts across genres, perspectives, and formats. Designed to drive engagement and support diverse learners, the PebbleGo Suite helps districts accelerate literacy and scale deeper learning.

The PebbleGo Suite is everything schools need to **spark curiosity, support differentiation, and scale deeper learning**—on the page, on the screen, and across your district.

♥ Increased Reading Volume and Stamina

Engage students with high-interest topics in accessible formats that motivate them to keep reading—and learning.

🔒 Curriculum Support and Standards Alignment

Capstone resources are designed to align with national and state standards, making it easy to integrate into existing instruction across formats.

👍 Flexible Access

With print and digital learning formats, our books and printable activities offer options that support classroom, library, or home learning—whether students are on-screen, off-screen, or a blend of both.

📖 Deeper Content Exploration.

Move from a PebbleGo article to a nonfiction or narrative Capstone book that offers greater detail, higher complexity, or a new point of view on the same topic. Capstone is a publisher known for producing titles that offer unique and engaging twists on essential non-fiction topics.

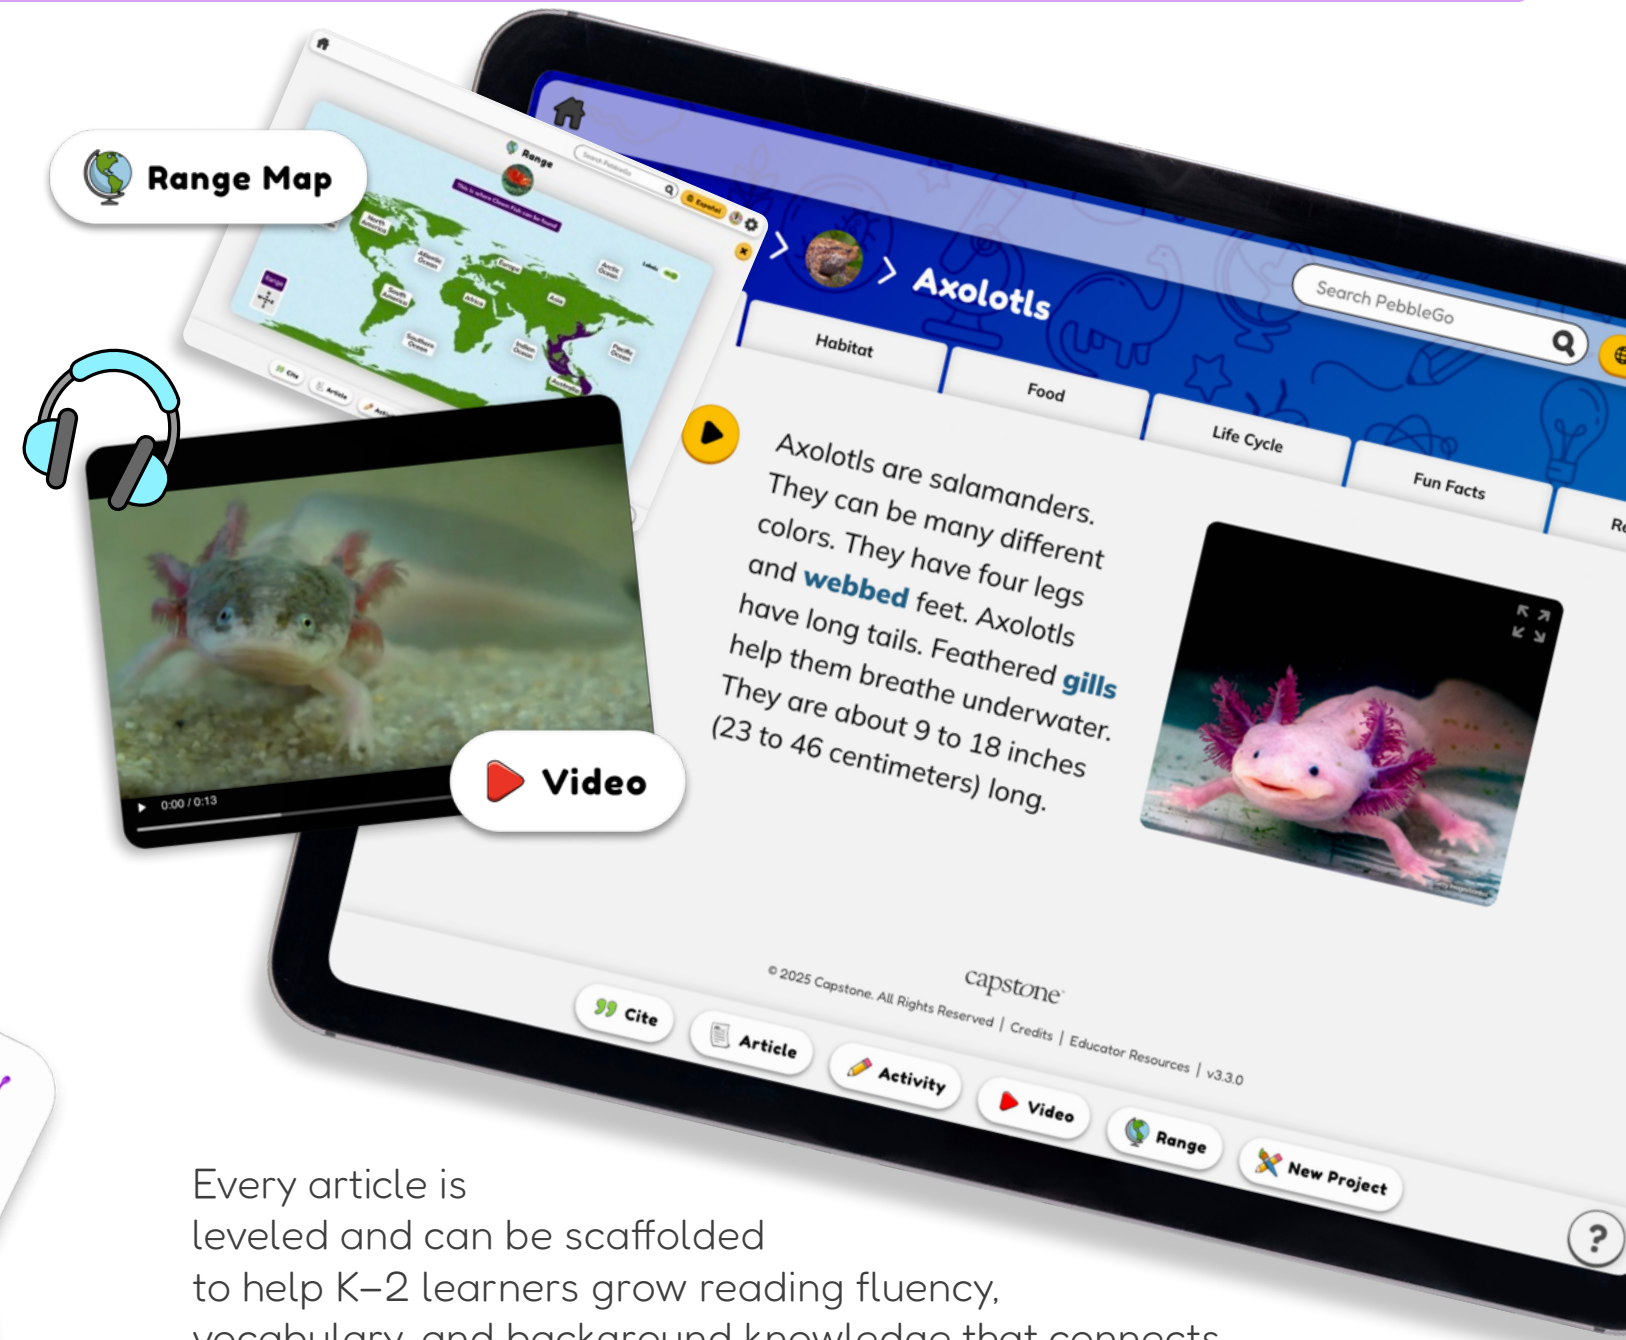

🟩 Cross-Genre, Cross-Format Connections

Reinforce inquiry and content-area literacy with a mix of nonfiction, fiction, biographies, and primary source titles that support both screen-based and offline exploration.

PebbleGo for K-2 Learners

Building Skills, Curiosity, and Confidence Early On

PebbleGo is designed from the ground up to meet the needs of early and emerging readers. With simple navigation, read-aloud audio, word-by-word highlighting, and clear visuals, even pre-readers can explore independently—while their teachers know they have a safe and easy resource for supporting core learning areas.

Every article is leveled and can be scaffolded to help K-2 learners grow reading fluency, vocabulary, and background knowledge that connects directly to classroom themes.

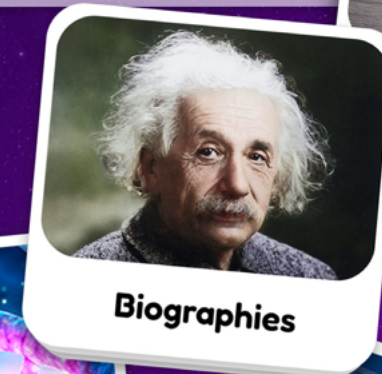

Multimodal features—including short videos, interactive games, guided activities, and simple citations—reinforce learning and offer multiple entry points for different learning styles.

With PebbleGo, educators can easily reinforce core literacy instruction and provide a safe, engaging space for early learners to build confidence as thinkers, regardless of reading proficiency.

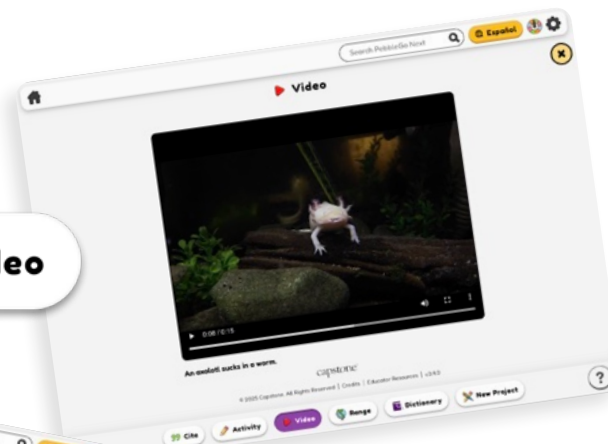

PebbleGo for 3-5+ Learners

Growing *with* Students as They Tackle More Complex Learning

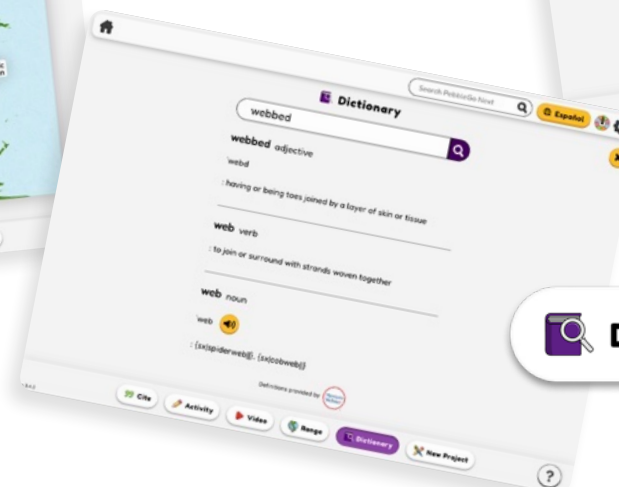

As students grow, PebbleGo grows with them – offering expanded, deeper content while maintaining critical reading supports – ensuring no child is left behind. With more complex texts, academic vocabulary supports, and age-appropriate scaffolding, students are equipped to read independently, conduct research, and engage in inquiry-based projects with greater depth and confidence.

 **Range Map**

 **Dictionary**

To extend learning, students can explore interactive tools like Range Maps, Timelines, and a built-in dictionary—designed to deepen comprehension, strengthen vocabulary, and build connections across geography, history, and science.

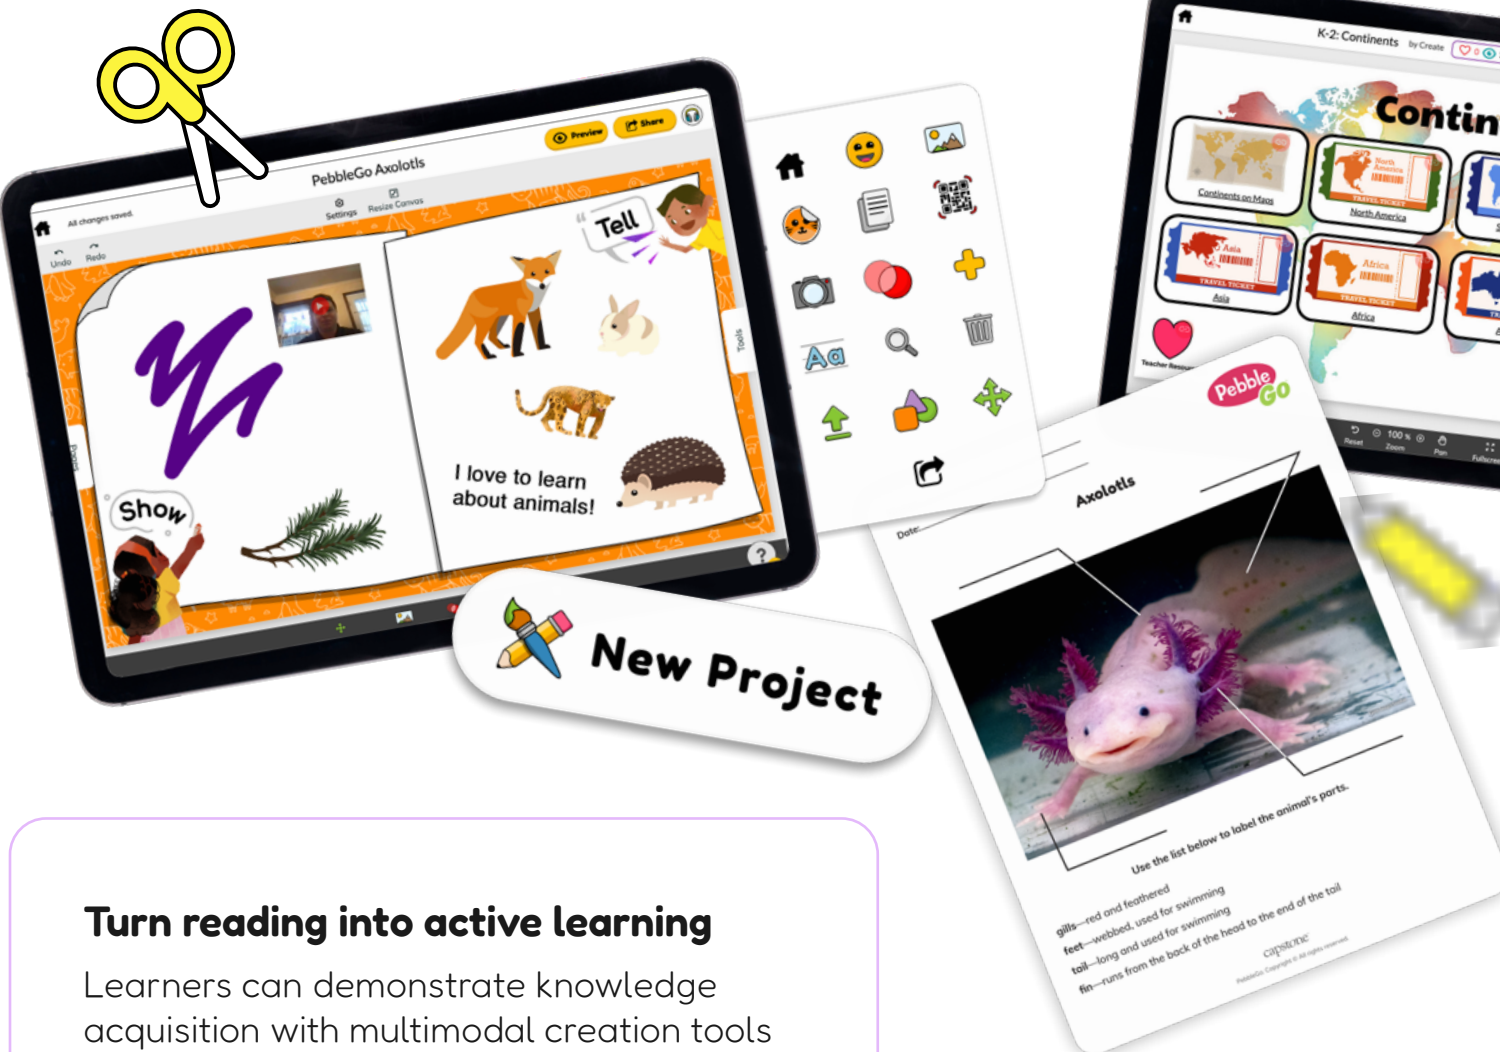

PebbleGo Starts with Content and

Enhances with **Tools That Teach, Reach, and Engage**

PebbleGo also includes built-in instructional tools that go beyond supplemental learning content—**giving educators more ways to teach effectively** and **students more ways to actively engage** with what they're learning.
